

How To Add A Product

Give Title

First Products Add New

Products are kept here. You can delete or edit them here

Describe the thing (Optional)

Hit Save when finished

Add Image (Optional)

Set Price

The screenshot shows the 'Edit Product' interface for a 'Camp Shirt'. The title is 'Camp Shirt'. The product description field is empty. The 'Product data' section shows 'Simple product' with a regular price of \$25. The 'Product image' section shows a photo of a person wearing a camp shirt. The 'Update' button is visible in the bottom right corner.

Download Data

The screenshot shows the 'Orders' management page. The date range is set to 'Month to date (Sep 1 - 24, 2024)'. The 'Show' dropdown is set to 'All orders'. The summary table shows: Net sales \$60.00, Average order value \$60.00, and Average items per order 1. A line chart shows the order trend over time. The 'Orders' table below shows one order: Order # 347, Status Processing, Customer New, Product(s) Whitewater Rafting Trip - Sep 20th, Items sold 1, Net sales \$60.00. A 'Download' button is visible in the top right of the table.

Date	Order #	Status	Customer	Customer type	Product(s)	Items sold	Coupon(s)	Net sales
September 6, 2024	347	Processing		New	Whitewater Rafting Trip - Sep 20th	1		\$60.00
